## MORE SECURITY

You have nothing to worry about with the MAN Work PLUS. The extended warranty protects you against unexpected repair costs of all your MAN branded engine room components, excluding consumables such as filters, hoses and belts. And because MAN's Work PLUS is fully transferrable, you're safe in the knowledge that you're not only protecting your investment but maximising its resale value at the same time.

## COVER THE UNEXPECTED

### Work PLUS

Extend your warranty for an additional 12 months. The programme includes the same coverage as in the standard first-year warranty. Maximise uptime, and minimise unexpected repair costs with the extended warranty programme.

Engine Type	Operation
