MORE SECURITY

You have nothing to worry about with the MAN Gold Standard Premium (GSP). The extended warranty protects you against unexpected repair costs of all your MAN branded engine room components, excluding consumables such as filters, hoses and belts. And because MAN's GSP is transferrable, you're safe in the knowledge that you're not only protecting your investment but maximising its resale value at the same time.

→ MAN extended warranty – Your benefits at a glance:

- Coverage of all your MAN branded engine room components
- Peace of mind beyond the standard warranty
- Protects your investment against unplanned repairs
- Increases your resale value
- Transferrable to subsequent owners
- Adaptable to your needs and lifestyle
- All maintenance is performed by an authorized MAN service partner
- Only MAN Genuine Parts are used
